

## 2017/2018 North Cow Creek School District Annual LCAP Parent Survey

The North Cow Creek Local Control Accountability Plan (LCAP) is a document that is used to set goals and establish priorities that help guide our budget planning. Our current LCAP is in year 2 of a 3 year implementation. Each year we must evaluate the plan and consider modifying the plan based on feedback from the parents, staff, students, and School Board.

You may complete the survey below (return to the school office) or complete the survey online at [www.northcowcreek.org](http://www.northcowcreek.org). Each grade level with at least 50% of the surveys completed by March 16 will receive an ice cream treat.

### **LCAP Goal 1: Conditions for Learning**

(All teachers, staff and parents will have the materials and resources to successfully address the academic needs of students insuring students' progress towards meeting standards.)
