From the Principal's Desk

Our 2nd Annual Title 1/ Parent Information Night is coming up on February 12, from 5:30—7:00. During this evening, our 7th graders will be setting up reading stations for the attending students while parents attend a workshop presented by our staff. This workshop will focus on providing tips for parents for supporting the learning of their students. Pizza will be served at 5:30 and the main program begins at 6:00. Please sign up through the office or online at northcowcreek.org.

It is time to begin evaluating our school goals (listed through the Local Control Accountability Plan—LCAP). Be looking for the **annual parent survey** which will be distributed at the end of February. The input of parents on this survey helps our staff and School Board as we review and revise our current goals. In addition, parents are invited to participate in a School Board workshop on March 19 from 6:00—7:00. Our Board members and parents will work together reviewing current goals and the input of parents, staff, and students.

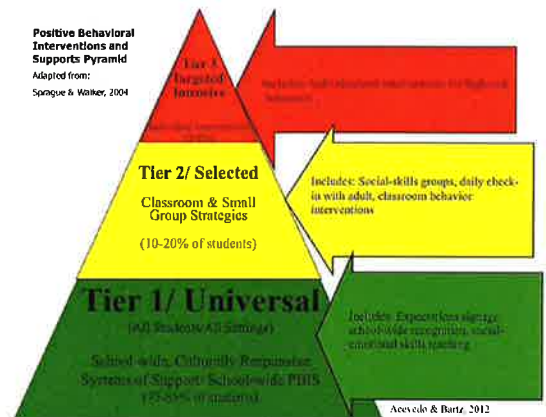

We have recently published our annual **School Accountability Report Card (SARC)** on our website. The SARC is a review of school data for the 17/18 school year. Parents may pick up a hard copy of the SARC in the school office.

If you have been on campus lately, you will notice new signage around the bathrooms, cafeteria, and playgrounds. These signs visually show students how they can follow expectations in these areas in being safe, respectful, and responsible. This is phase one of our work on implementing **PBIS** school-wide. PBIS is a system of setting behavior expectations that are consistently enforced by all staff. In ad-

dition, we will be enhancing our ways of positively recognizing academic and behavior expectations. Finally, we will be using the model below to support students who need extra help in controlling their behavior. We believe these steps will help continue the development of a positive school culture for all students.

JOIN US for our

2nd Annual Title 1/Parent/Student Night

Tuesday
February 12
5:30—7:00

Join us for an evening of pizza, fun, and learning. Our 7th grade students will be reading short stories to students as parents attend a

session on how to help their students master reading and math skills. Pizza will be served from 5:30—6:00 with the main program held from 6:00—7:00.

School Board Meeting

During the past Board meeting, the Board: reviewed revisions to district policies; accepted our recent audit report that reflected a positive budget position; approved a plan to support low performing students; and began a dialogue on the pros/cons for offering either computer instruction or physical education instruction to students for the upcoming 19/20 school year.

Items on the next meeting's agenda (February 26) include approval of our School Safety Plan and continuing the PE/ Computer instructor discussion.

ATTENDANCE MATTERS! - Every DAY counts in a child's education. Every day a student misses school, he gets more than two days behind his peers. He/she must make up missed learning and catch up with new learning at the same time. Please support our efforts to make NCCS the best by helping to get your student to school every day. If your child will not be at school, please call our office early in to report the absence, leave a message at 549-4488,

or email jpik@northcowcreek.org.

Thank you
