Governing Board North Cow Creek Elementary School District 10619 Swede Creek Road Palo Cedro, CA 96073

Dear Board Members:

In accordance with the provisions of Education Code Section 42131, a review of the North Cow Creek Elementary School District's (District) First Interim Report for fiscal year 2019/20 has been completed by the Shasta County Superintendent of Schools (County Superintendent). Based on the multi-year projections and assumptions provided by the District, it appears that the District should be able to meet its financial obligations for the current and two subsequent fiscal years. We therefore concur with the District's positive certification.

#### **BUDGET SUMMARY**

The District is projected to incur an unrestricted operating surplus of \$93,809 in the current year. Additionally, the District is projecting unrestricted surpluses of \$47,274 and \$79,090 in the subsequent two years.

We also noted that the multi-year projection is based on estimated LCFF COLA increases of 3.0% and 2.8% for the subsequent two years. The recent January budget proposal released by the Governor includes a COLA of 2.29% for 2020/21 which will reduce revenue estimates for the subsequent years. The budget should be adjusted at Second Interim with this more current information.

#### SALARY AND BENEFIT NEGOTIATIONS

According to the information provided, salary and benefit contract negotiations have not all been settled and potential increases have not been included in the budget. To the extent that collective bargaining agreements result in additional ongoing costs, we advise you that such increased costs should be supported by additional ongoing revenues or ongoing reduction of expenditures.

This letter is a reminder that, before the District's Board of Education takes any action on a proposed collective bargaining agreement, the District must meet the public disclosure requirements of Government Code Section 3547.5 and the California Code of Regulations Title V, Section 15449. The document used for this analysis is titled "Assembly Bill (AB) 1200: Public Disclosure of Proposed Collective Bargaining Agreement."

The AB 1200 document must be sent to the Shasta County Office of Education ten (10) working days prior to Board approval. AB 2756 amended Section 3547.5 of the Government Code to read: The superintendent of the school district and chief business official shall certify in writing that the costs incurred by the school district under the agreement can be met by the district during the term of the agreement. If a school district does not adopt all of the revisions to its budget needed in the current fiscal year to meet the costs of a collective bargaining agreement, the county superintendent of schools shall issue a qualified or negative certification for the district on the next interim report pursuant to Section 42131 of the Education Code.

#### SUBMISSION OF STUDIES, REPORTS, EVALUATIONS AND/OR AUDITS

Education Code Sections 42127 and 42127.6 now require districts to submit to the County Office any studies, reports, evaluations, or audits done of the district that contain evidence that the district is showing fiscal distress. They also require the County Office to incorporate that information into our analysis of budgets, interim reports and the district's overall financial condition.

We request that the District submit to this office any such documents commissioned by the District (e.g., reports done by the Fiscal Crisis and Management Assistance Team), or by the State Superintendent of Public Instruction and/or a state control agency any time they are received by your district.

#### CONCLUSION

As always, we would like to express our appreciation to the District staff for their cooperation during the budgeting process and review. If you have any questions, or if our office can be of further assistance, please call me at 225-0235.

Sincerely,

Jessica Tegerstrand, CPA

#### 2019-20 LCAP Federal Addendum Certification

#### **CDE Program Contact:**

Local Agency Systems Support Office, LCFF@cde.ca.gov, 916-323-5233

To receive funding under the Every Student Succeeds Act (ESSA), a local educational agency (LEA) must have a plan approved by the State Educational Agency on file with the State. Within California, LEAs that apply for ESSA funds are required to complete the Local Control and Accountability Plan (LCAP), the LCAP Federal Addendum Template (Addendum), and the Consolidated Application (ConApp). The LCAP, in conjunction with the Addendum and the ConApp, serve to meet the requirements of the ESSA LEA Plan.

In order to apply for funds, the LEA must certify that the 2017/18–2019/20 LCAP has been approved by the local governing board or governing body of the LEA. As part of this certification the LEA is agreeing to submit the LCAP Federal Addendum that has been approved by the local governing board or governing body of the LEA to the California Department of Education (CDE), and acknowledging that the LEA agrees to work with the CDE to ensure that the Addendum addresses all required provisions of the ESSA programs for which they are applying for federal education funds.

#### H.E.R.O. Companion Guide for Parents

This companion guide is intended to encourage discussion between you and your child. By discussing the H.E.R.O. program with your child at the conclusion of each lesson, you'll help reinforce the concepts learned in the classroom and develop effective safety strategies for your entire family.

The H.E.R.O. program consists of five lessons: "HIDE!", "ESCAPE!", "RUN!", "OVERCOME!", and "Putting it all Together". Each lesson will be taught in the classroom and reinforced with physical activities, journaling, and schoolwide drills.

As we are all painfully aware, we live in a day and age where it is has become prudent and necessary to prepare our children for exposure to violent events. Fortunately, **the science of protection** has provided us with effective responses to increase safety and survivability.

Your child's school has partnered with Safe Kids Inc., a team of law enforcement and education experts, who have developed curriculum that teaches these responses in a non-threatening manner - The H.E.R.O. program. H.E.R.O. is an acronym for:

**Safe thinking starts at home**, and your commitment to your child's development is critical to any new learning experience. By asking your child the following questions, you can be sure that your child and you are on the same page when it comes to safety.

Prior to reviewing the following questions with your child, make sure to **ask them what each letter of the H.E.R.O. acronym stands for.** This will help reinforce the total concept and help you learn how to be a H.E.R.O. too!

#### H.E.R.O. Companion Guide for Parents

# Lesson 1 HIDE!

- What does it mean to HIDE?
- When would you want to **HIDE**?
- Where would you HIDE if we are \_\_\_\_\_\_? (places you and your child would frequent, e.g. park, mall, etc.)

#### Lesson 2

#### ESCAPE!

- What does it mean to ESCAPE?
- When would you want to ESCAPE?
- How can you **ESCAPE** from bullies? (Ask about cyberbullying too.)
- Where could you **ESCAPE** if we are \_\_\_\_\_? (at home, a playground, the super market, etc.)

# Lesson 3

- What does it mean to RUN?
- Can you show me the difference between "fun running" and "danger running"?
- When would you want to "danger run"?

#### Lesson 4

#### OVERCOME!

- What does it mean to OVERCOME?
- How did you learn to OVERCOME an invader?
- How does it feel knowing you can OVERCOME dangerous people and situations?
- Do a family scavenger hunt at various places in your community (supermarket, library, etc.) to find items you can use to **OVERCOME**.

#### Lesson 5

# H.E.R.O. Companion Guide for Parents

Middle School & High School

This companion guide is intended to encourage discussion between you and your child. By discussing the H.E.R.O. program with your child at the conclusion of each lesson, you'll help reinforce the concepts learned in the classroom and develop effective safety strategies for your entire family.

The H.E.R.O. program consists of five lessons: "Prevention", "HIDE!", "ESCAPE!", "RUN!", and "OVERCOME!" Each lesson will be taught in the classroom and reinforced with activities, student collaboration, and schoolwide drills.

As we are all painfully aware, we live in a day and age where it has become prudent and necessary to prepare our children for exposure to violent events. Fortunately, there are age-appropriate strategies students can use to prevent and survive violence.

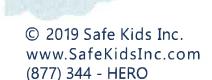

Your child's school has partnered with Safe Kids Inc., a team of **law enforcement and education experts**, who have developed curriculum that teaches these strategies in a non-threatening manner - the H.E.R.O. Program. H.E.R.O. is an acronym for:

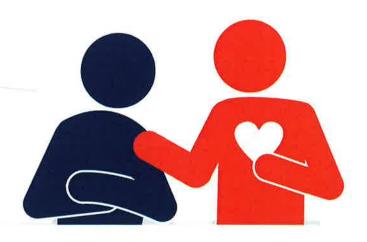

#### HIDE! ESCAPE! RUN! OVERCOME!

**Safe thinking includes the entire family**, and the parent's commitment to safety is critical to any new learning experience. By discussing the following questions as a family, you can be sure you're all on the same page when it comes to safety.

The following questions are provided to help you as a family be as safe as possible by discussing various safety strategies and how to implement them in different contexts.

Middle School & High School

# Lesson 1 PREVENTION

- Prior to engaging in discussion with your child, review the "Parent Prevention Guide", located on the "Families" page at www.SafeKidsInc.com.
- Discuss the 7 behavioral warning signs with your child.
- Reinforce the importance of timely reporting and discuss reporting options available to your child, e.g. school administration, counselors, or local law enforcement.
- Use this discussion to check in on your child's mental health. How are things going?
   Do they have any major stressors in their life? If they are struggling, how can you help them? Do they know that you care?

# Lesson 2 **HIDE!**

- How is the HIDE concept different than lockdown as they have practiced it previously?
- Ask your child to explain the concept of "Safety Triangles" to you and demonstrate
  how to utilize this concept in a place you're both familiar with, such as your home or
  a local restaurant you frequent.
- Inquire as to whether or not they would allow another student or teacher to enter a room that was locked or barricaded. What would they do if they were the one locked outside of a classroom during a violent incident?

#### Lesson 3

#### **ESCAPE!**

- Check and see if they can tell you when it would be better to ESCAPE instead of HIDE.
- Ask: "How can you ESCAPE from bullies or harmful relationships? What about bullies or harmful people online?"
- Take this opportunity to compare and contrast harmful relationships v. healthy relationships.

### Lesson 4 RUN!

- Ask: What's the difference between Fun Running and Danger Running? Isn't all running the same?
- Inquire: During an act of mass violence, is it better to stay in a group or run away as an individual?
- During an act of mass violence, is it better to stay in a group or run away as an individual?
- Identify some places you and your child frequent and apply the RUN concept in these places.

# Lesson 5 **OVERCOME!**

- Discuss: What's the difference between **OVERCOME** and fighting? Reinforce the idea that fighting is motivated by anger (and is illegal) while **OVERCOME** is motivated by protection (and is legal).
- What are some different ways/items you could use to **OVERCOME** a violent attacker? At school? At home? In the community? In the supermarket? The library?
- Reinforce: Acts of mass violence are statistically very unlikely to affect you, but it's important to be prepared for these types of emergencies, just as we prepare for other unlikely emergencies.
- Check-in: How do you feel now that you've learned the H.E.R.O. lessons?

#### **Threat Assessment Protocols**

#### **Threat Assessment Steps**

Utilize the modified "Virginia Model for Student Threat Assessment" to evaluate and appropriately respond to a threat as listed on page 3.

Focus on gathering facts. Retain all evidence and secure any building or area of campus that contains evidence until law enforcement advises the release of the area for normal use. Do not profile, or make assumptions.

#### What threats initiate the Threat Assessment Protocols:

- Any verbal or physical threat involving firearms, explosives, or arson
- Any student infraction that deals with or threatens assault with a deadly weapon, instrument, firearm, or explosive.
- Any student infraction in which a student unlawfully offered, arranged, or negotiated to sell an enumerated controlled substance.
- Any student possessing, selling, or otherwise furnishing a firearm.

#### **Threat Assessment Team**

A Threat Assessment Team (TAT) will determine credibility and assist with developing press releases and communications to the school community. The TAT at NCC will be composed of the following individuals:

- Administrator (Kurtz)
- Counselor\* (Witherall)
- School Psychologist\* (Bambauer)
- 2 Certificated Staff Members (Grabek, Osborne)
- 2 Classified Staff Members (Hahn, Brunelli)
- Law Enforcement (Estill)

<sup>\*</sup> The current counselor and school psychologist are available one day per week. If not scheduled to be on campus, their participation will be sought via phone.
